A weekly update of Interclub 2009

Issue 2 2 April 2009

## We are under way

Week's 1 & 2 have come and gone and the competition is underway. Feedback has been great and the cards coming in (mostly) in a timely fashion. Below is news from around the traps!

## Week 2 News:

### Match reports:

#### Ladies Div 3: Football 4 versus Christchurch 3 - Team captain Sherril Macdonald

We played Christchurch and won 11-7, a good win if I say so myself. We started off with Sally Johnson winning in 5, a great effort from her. Then we had Jenny Skerton also winning in 5. Then the captain went on to show the team how to win in 3. Wendy Oliver then went on and lost in three but played a great game with her opponent winning a lot of shots off the wood. It was a really nice team to play and I think everyone enjoyed the night.

#### Men's Div : Squashways 3 versus Football 3 - Team Captain Anthony Liken

Tuesday 31st saw Squashways abuzz with activity especially with the start of the Super League, some breathtaking games anticipated not least of all from Squashways vs. the boys from Football in Men's Division 3 !! In the best game of the night our newcomer Dean (from Te Awamutu) outlasted Anthony in a torrid encounter at #1. I then took the court and in an efficient captains display beat Kevin in 3, Footballs Nathan Smith was equally efficient and sinistral in disposing of the sometimes subtle Warren also in 3. The deciding game saw Squashways prevail 11-5 with Malcolm beating Roger in 4. A bit of early season rustiness from some but prospects look exciting for some tight fixtures in Men's Division 3.

#### Ladies Div4: Linwood 1 versus Burnside 5 Team Captain Jess Wilson

After a great win in the first week of competition, and the other Linwood teams also thriving in success, it felt like being hit by a brick to lose our first match. We all had great games and of course the socialising was brilliant. It was wonderful to be able to celebrate my opposition's birthday, Happy Birthday Julie (for Tuesday). The evenings are definitely getting cooler, however it appeared quite hot on the court on Tuesday, because everyone appeared to be exiting the courts with rosy red cheeks and the lovely big smiles on their faces. It is great to see everyone is enjoying their squash!!!!

## Result Cards

A quick reminder, team Captains, result cards are to be put in the envelope given to each club. This envelope will then be posted, as arranged by the club, with all results from that night. Please assist the clubs in making this happen. Clubs, please ensure envelopes are available. It was really pleasing to see so many results in today. **And also check and double check the information.**

Well week 2 has gone, we look forward to week 3 and more stories of success, failures, accidents, incidents etc.
