

Notice of Change of Venue for the South Island Junior Age Group Squash Tournament.

Dear players, parents, clubs and regions,

The organising committee for the South Island Junior Age Group Squash Tournament scheduled for the 16th -18th July 2011 have given due consideration to the recent events in Christchurch and **after discussions with Squash New Zealand** now formally advises all players, intending players, parents, clubs and regions, that in the interests of the game and the safety of those who wish to play in the event we have moved the tournament from Christchurch to Timaru.

Event entries will be accepted through the current email address southislandjuniors@gmail.com . Nicky Dunlop will still take entries and will be in Timaru to help assist in running this event.

The hosting Club will now be Timaru Squash Club and Jo Williams will be the contact person. Her contact number is: 021 663 980 or Nicky's is 021 655 733.

The committee understands that some players and families may have already booked accommodation and flights to and from Christchurch. The current committee will work with the Timaru Squash club to accommodate minor changes to playing times to allow for the additional travel to and from Timaru.

The Christchurch organising committee will be able to assist with accommodation and travel plans **should they need to be changed**. Please email Nicky at the above email address should you require accommodation or help in getting to Timaru.

We regret to inform you of this necessary change at this late stage **but** unfortunately we cannot guarantee the safety of those attending the event if it was to remain in Christchurch.

Thank you for your understanding.

Best regards

The Organising Committee

Nicky, Lynda, Paul and Nick
